LLumar® films are warranted for a period of years (see attached) from the date of installation when properly installed in accordance with manufacturer's instructions on suitable interior glass surfaces by a duly authorized and trained LLumar® dealer. LLumar® film will maintain its properties without crazing, cracking, peeling, blistering, bubbling, or delaminating from the glass.

If the film fails to comply under recommended use and maintenance within the warranty period, CPFilms Inc. will credit the Distributor or provide replacement film to the Distributor at the Manufacturer's option equivalent to original FOB cost of the film plus 15% to cover freight, duty, handling, etc.

Distributor must notify CPFilms Inc. of all Dealers when they become authorized.

Distributor must also document projects on the assigned website within forty-five (45) days upon completion of the installation in order to activate the Warranty.

Any claims should be brought to the attention of CPFilms Inc. as soon as they become known to the Distributor and CPFilms Inc. reserves the right to request samples or inspect any film failure.

CPFilms Inc. hereby disclaims liability for any incidental, special, consequential or punitive damages arising from any defect in the product covered by this warranty. Except during the applicable limited warranty period set for above, CPFilms Inc. hereby excludes and disclaims any and all other express or implied warranties, including the warranties of merchantability and fitness for a particular purpose.
